

NDQHA Meeting Minutes

May 29, 2009

Red Horse Ranch Arena

Brett called the meeting to order.

In attendance: Brett, Shawn, Kelly, Phyllis, Darren, Kevin

Absent: Jenna & Bob Flach

Secretary Minutes: None

Treasurer's report: Kelly motioned to approve. Phyllis seconded. Motion carried to approve report.

Old Business:

Circuit awards were discussed. Kelly already ordered circuit awards at the end of last year.

Grant funds are \$2500.00. These funds are to be used to promote QH classes and quarter horse Judge at 4 of the states largest open shows. We will need to contact all 4 (FM Posse, Bismarck, Minot and Grand Forks) before the end of September and discuss the format and funds with them.

Futurity: Brett brought up the idea of opening the Futurity to all breeds. This will allow exhibitors and trainers to bring other breeds in their barns. A few things need to be checked into before this is put into place.

Year end Awards: With the Winter show and the August show not being held this year, the board decided to use 8 shows for year end awards instead of the required 10. This just applies for this year.

Circuit Awards: This year due to the loss of the 2 shows, circuit awards will be based on the Fergus show, State Fair and the 1st split combined of the Futurity.

New Business:

Fundraisers: Ideas for fundraisers were brought up. Some of the prizes might be items like a Haulz-All or Scooters.

Kevin Sedivec motioned to adjourn. Phyllis seconded. Meeting adjourned.

Next meeting to be held at the Futurity Show.

Respectfully submitted,

Sherri Matuska
