Hello members of NDQHA! As your past 2012- 2013 President I want to thank you for your involvement in NDQHA. As an organization we have had a very successful year in 2013 and we hope to continue this trend by making even more improvements in the future. This means more membership involvement! We want to hear from all QH owners in the state. Without your input we cannot make the changes that you want to see happen.

Our number one goal continues to be expanding our membership to include more people who love the American Quarter Horse and all they do for us. We hope to find as many breeders, trail riders, dressage riders, barrel racers, penners, sorters, ropers, cutters, mounted shooters and QH lovers of all disciplines to join our ND affiliate. With the diversity we find in the horse industry today, our individual associations have seemed to become smaller and perhaps weaker. I think that our future depends upon our different interests reuniting once again on common ground- ownership of the wonderful American Quarter Horse. My hope is that we can start to grow together again rather than further apart.

We have around 2200 AQHA members in the state of ND and only several hundred of them are NDQHA members. We hope to find ways to entice those AQHA members not only to contact us but to join together with us. Many people ask "but what can NDQHA do for me?" Good question but first shouldn't we be asking what we can do for NDQHA or AQHA for that matter? It is only strong members who make for progress. We all have so many talents that we can share to make our world of horse ownership so much better. It is up to us as individuals to help out and promote the areas that most interest us. We need to stop depending on "everyone else" to handle the matters that concern us the most. Let people know about NDQHA!

As far as NDQHA goes- we do not desire to be an association just for people who show horses. Unfortunately that is a reputation we have been pinned with as the horse shows/events are our biggest fundraising opportunities and we therefore must focus much of our attention on them. We want to embrace all uses of the Quarter Horse and try to better recognize their achievements in other areas around our state. We encourage everyone to contact us and tell us your news about what you, your horses, or your friends have accomplished! We hope to keep everyone informed about industry news, local and regional events and all things QH. Our website and email newsletter have many opportunities for you to advertise your products, events and achievements. In 2014 we will once again offer an AQHA Trail Ride and also hope to have an AQHA Trail Challenge Event. We would love to hear from you on how you think that we could better provide for your interests.

Another concern nationwide is the drop in youth numbers. We at NDQHA are working hard to interest more youth in the horse industry. We actively try to reach youth at the 4-H and open show levels and invite them to come to our events. We recently added an extensive "Small Fry" division to our shows to bring in the youngest of horse enthusiasts.. In 2014 NDQHA will be sponsoring two youth from ND to attend the 4-H Boot Camp in Minnesota. We ask that our membership offer us more ideas to entice the the youth of ND to become involved in horses. Please work to inform those youth you know about the NDQHA or let us know so we can contact them and invite them to our events.

That being said, remember that NDQHA is not just a group of Board Members who work hard for you. It is up to you to be a strong member of NDQHA. Go out and promote your own interests. Bring in sponsorships to help the event(s) that are most important to you.--class sponsorships, Futurity sponsorships, added money for possible jackpot classes, scholarship or fundraising money for the youth, incentives for the Trail Ride or Trail Challenge or anything else you want to see happen in the ND association are all good ways to help out. Volunteer to help at shows, events or be an ambassador for us at dressage events, barrel races, pennings, or cuttings. Bring new ideas to the Board and help them to make them successful. Do what you can to let people know that we deal with the best breed of horse out there! Support and enjoy the NDQHA!!~~ Thank you-- Jenna Mickelson NDQHA President

2014 NDQHA Scholarship Recipient's

We are proud to announce the 1st recipients of the NDQHA Youth Scholarship. Through the generosity of an anonymous donor we are able to award (2) \$1000.00 scholarships for the next few years.

Hattie Erickson and Brittany Swenson

I am extremely grateful to whomever donated the money for the ND Youth Scholarship. I am attending MN State University Moorhead and majoring in Elementary Education. This scholarship helps so much with the cost of school. I worked hard this past year of showing and am honored to have been given this award. Thank you Brittany Swenson.

The 2013 NDQHA Futurity proved yet again that there are great horses and great horsemen/horsewomen in our wonderful state of North Dakota! This past Futurity had 30 different owners and nearly 40 horses competing in events across the full range of classes available. Non pros and trainers showed these horses at their best to highlight the quality performers in our state.

A big thank you to each and everyone one of you who chose to participate in the Futurity! It takes time, effort, and money to get these horses ready to show.

The NDQHA and Futurity Committee thanks you for participating this fall and contributing to the success of the show. We hope you all found the experience rewarding!

Thank you to Scott Flach for contributing additional prizes for those entered in the reining classes. Exhibitors really appreciated those handsome pocket knives.

As you are working to survive this roller coaster of a winter, you can think back over the good moments in the show ring and anticipate the 2014 Futurity. We hope to see next year become an even bigger and better show. Thank you again for participating in NDQHA Futurity!

Greetings from your Youth President!

This year has been filled with many fun activities and fundraisers to support our youth organization. My personal favorite was the stick horse races! Seeing trainers, parents and youth running their hearts out on very creatively made stick horses was so much fun. Thank you to everyone for continuously supporting our youth in fundraisers. It is thanks to you that we can reward the hard work and dedication that these youth members have put in all year with year end awards. We greatly appreciate it!

This year has been filled with new friends and great memories for me. I will miss being your Youth President but I am looking forward to see what new events the Youth will do in the years to come!

Thanks for such a great show year, and congratulations to everyone for their year end results.

Your Youth President,
Brittany Swenson

Thank you for the opportunity to represent the North Dakota Quarter Horse Association as a national director. It is an honor and a privilege. My priorities are to develop good communication with the members and to promote and advance NDQHA.

During the past year, I have been in contact with several of the North Dakota Quarter Horse team penners and ranch sorters and have invited them to become members of NDQHA. They have excelled in competition at the World Show and are great ambassadors for our state. As an association we need to recognize and applaud their outstanding accomplishments.

I have also reached out to the North Dakota Quarter Horse Racing Association Board of Directors and encouraged them to collaborate with NDQHA on events and activities. This is a very appropriate and natural partnership. It would be worthwhile for us to learn more about their association and support their endeavors.

Another project of mine this past year has been to develop and organize the NDQHA Hall of Fame. Our association has a proud history with many notable members who need to be remembered for their Quarter Horse contributions and accomplishments. Hopefully, the newly formed Hall of Fame will provide some of these individuals with the recognition they so richly deserve.

In May I was notified that I have been appointed to the Shows and Pro Horsemen Committee for a three year term which concludes at the end of the 2016 AQHA Convention. Each standing committee serves as the primary avenue for rules, policies and procedures to be recommended and is extremely important to the workings of AQHA. When standing committees propose changes at the Convention, and the Directors approve or amend them at the Board meeting, these recommendations then go to the Executive Committee for final approval. The Executive Committee evaluates all proposals in relation to the current state of the industry, AQHA's budget, administrative procedures and other areas before giving it final approval. I look forward to the meetings at this year's Convention in New Orleans in March.

Best of luck to everyone in 2014, and please feel free to contact me at any time with your questions, concerns and comments.

NDQHA HALL OF FAME 2014 Inductees

**Ardis and Harvey Taylor

**Kenny Trauger

At this years Annual Banquet we had some special guests in attendance. It was our honor to present the first inductees into the NDQHA Hall of Fame. Although many of our inductees have past away, their families appreciated this honor. NDQHA has such a rich history of people that made things happen. It is so fun to read and hear the stories of some of the first members. Congrats to all.

Their bios can be found at www.ndqha.com

Special thanks to John Hovde for his generosity in providing the plaques for all our inductees, it is appreciated.

Greetings!

2013 was a very successful year for many North Dakota Amateur Quarter Horse Association members. Our annual meeting and banquet was recently held with great attendance, despite the weather. Several of us ended up staying an extra day due to the interstate being closed! During the banquet, many members were recognized for their efforts throughout the year. We had several members attend the AQHA Novice Championship show, All American Quarter Horse Congress and the AQHA world show. Many of them had great success and I am proud to say they represented North Dakota well. This past year, we held several fundraisers and had great participation from many of our members. Participation and fundraisers are what makes our association so successful. This show season, the Amateurs will be doing a tack swap at the May show in Valley City. Other fundraisers will be planned for the other shows so stay tuned for those announcements. Again this year, we will be hosting the Pre- Wadena show on July 30-31 and the Wadena run on August 1-3 with NDQHA as co-hosts in Fergus Falls, MN. The show season will be here before we know it and I look forward to seeing all of you.

Ashley Ebensteiner
