## YOUTH SENIOR SPOTLIGHT

My name is Brittany Swenson and I am a senior at Bismarck High School. I began showing when I was 4 years old in leadline classes with my horse Miss Coco Kitty until I could ride on my own. Then I started showing my horse Clyde who helped me learn the correct leads and to jump. I showed him at 4-H shows and in my very first Quarter Horse Show in Bismarck. Together we went on to win the All Around Award at the 4-H state fair. He was the type of horse that would always keep me safe no matter what, but he developed a blood disorder and had to be put down after only a few years with me. My next horse was Patrick, Takin A Kitkat Break, the half Thoroughbred, that was quite scary compared to how small I was. Together we also won the 4-H state fair All Around Award in the Intermediate age group. He helped me start showing at Quarter horse shows on a novice level and eventually try for the Youth Justin Rookie award for ND which we missed by 1 point. He also taught me to always hold onto my hat because he enjoyed pulling them right off my head and running away!

After Patrick developed an injury it was time for me to find yet another horse. This time my mom bought a yearling that she broke and trained for me to ride. Her name is BMQ Sweet Talkin' or "Honey" and we have been a team since 2009. With all the training over the past years, we have really grown together. She has taught me really how to "feel" the ride and she has allowed me to compete in classes that I never thought were possible. This past year we competed in Pleasure, Horsemanship, Showmanship, Trail and together we qualified for the Youth World in Performance Mares. We also earned enough points to finish our QH Youth Championship Award this year! Although she too can be a "princess" sometimes, Honey is truly the best teammate I could ask for and never ceases to make me proud. This last show season was a great one, but I'm looking forward to making this next year, our last year, the best one yet.

**That time of year again....**

**Renew your memberships. Make sure your information is updated on the membership form, address, phone, email etc. Points do not start counting until membership is paid. Keep in mind that errors do occur. It is our responsibility as exhibitors to check the show results after every show to insure they are correct. Amateurs & Youth you have Year End Award requirements. Make sure you attend your meetings and participate in the fund-raisers.**

**With the new AQHA Leveling program exhibitors need to check the AQHA website for the current year information. I'm sure there will be some growing pains with this program, but they will get worked out.**

**NDQHA, NDAQHA & NDQHYA information can be found on [www.ndqha](http://www.ndqha) and Facebook.**

**We are still looking for history of the NDQHA and the people that have been involved in the past. If anyone has articles, directories, photos or stories please let me know. I can scan the items and then return them to you. I have received nice comments on what is out on the NDQHA History page and would like to continue to add things to it.**

**Hope you enjoy this Directory. The ads have surpassed my expectations. Thanks to all the exhibitors, sponsors, volunteers and show management for all you do.**

**A special thanks to Jean Fredrichs and Deb Razsler for all the years of taking care of everybody, bringing treats and keeping us going in the right direction. You will be truly missed by all.**

**Best Regards, Sherri Matuska**
