Elite Equine VETERINARY DENTISTRY

“Comprehensive dental and preventative care for the lifetime of your horse.”

Good dental health is important in all aspects of your horse's life. A pain free mouth is essential for proper preparation and digestion of nutrients. Additionally, a horse with a comfortable mouth will perform better in the show ring, rodeo arena, and on the trail. I am based out of Moorhead, MN but open for appointments throughout ND and western MN. Like us on facebook (www.facebook.com/eevetdentistry) to receive updates on when I will be in your area. Call to set up a visit to help your horse perform to their fullest potential!

JOHN HOVDE

John Hovde was born in Williston quite a while ago. He grew up on a Williams County ranch near Epping, North Dakota. In 1969 he graduated from North Dakota State University with a bachelor's degree in Animal Science. He then served two years in Vietnam with the 1st Cavalry Division, one of the most decorated combat divisions of the United States Army. After discharge, John and his wife, Kathi, made their home not far from his childhood home; there they raised their two children, JJ and Kristen.

John has often been referred to as the 'Horse Whisperer' of North Dakota. In 1972 he began offering horsemanship clinics to individuals of all ages and backgrounds. He has also served as an adjunct professor for the North Dakota State University Equine Science Program. John emphasizes the art of communicating and learning how to understand the body language of horses through the development of trust and respect. His philosophy has always been that horsemanship is learning how to ask a horse to do something in a way the horse can understand.

For many years John has been active in the Mon-Dak Quarter Horse Association and the North Dakota Cutting Horse Association, serving as president of those associations multiple times. Through the years, he has mentored many high school cutting horse enthusiasts and judged countless North Dakota High School Rodeo Association cutting competitions.

In 2009 John was inducted into the North Dakota Cowboy Hall of Fame in the Cowboy Long Rider Division. This division recognizes individuals who are instrumental in creating and maintaining North Dakota's horse culture.

John and Kathi host the Mon-Dak Quarter Horse Association and North Dakota Quarter Horse Association Annual Benefit Trail Ride at their Rafter H Ranch. Proceeds from that successful event are donated to Home on the Range in Sentinel Butte, North Dakota; St. Jude Children's Research Hospital; and the AQHA Foundation.

Since 2010 John has represented the North Dakota Quarter Horse Association as an AQHA Director, serving on the Recreational Riding Committee and, most recently, the AQHA Ranching Council. He is an AQHA Professional Horseman and an AQHA Ranching Heritage Breeder.

Two of John's favorite quotes include:

I have always learned the most on the days I spoke the least.

Softness in a horse was there at birth.

Softness between human & horse must originate from the human.

John Hovde is an asset to the equine world and truly is a Horseman's Horseman. It is most fitting that he be inducted into the 2016 North Dakota Quarter Horse Association Hall of Fame.

DIRECTOR'S CUT

Hello NDQHA Members,

2016 marks my third year as an AQHA Director from North Dakota. I am honored to represent NDQHA and feel my most important work is at the grassroots level. Growing and strengthening our association has always been my number one priority.

This past year I served as the editor of the e-newsletter, managed our Google email account, chaired the Hall of Fame Committee, worked on the by-laws amendments, organized the annual meeting and banquet in Bismarck, initiated the NDQHA 55th Anniversary celebration, and of course, showed my gelding, Always By Invitation, in select amateur classes. It has been a busy year, to be sure, but a very rewarding one. NDQHA is a thriving association, and I hope my work as an AQHA Director is contributing to that growth and success.

At the national level, I serve on the *Shows, Pro Horsemen and Amateur Committee*. This year the AQHA Annual Convention will be held in Las Vegas, March 11-14. During our lengthy committee meetings we review proposed rule changes and make recommendations to the Executive Committee as to whether they should be implemented or not. The discussions are usually lively and, many times, entertaining!

In November I submitted a Rule Change Proposal Form to change Rule SHW804 (page 272 in the *2016 Official Handbook of Rules & Regulations*). Currently only amateur exhibitors are able to earn a Superior All-Around Award. I am requesting that select amateur exhibitors also be included in that rule, effective immediately. At the Convention I will be closely following and supporting this rule change.

I wish all of our members the best of luck in 2016. May your horses stay healthy and your competitive spirit never waver!

Sincerely,
Connie Armstrong

Hi everyone,

Very soon we will be riding under a warm sun and on green grass. Spring is just around the corner and I cannot wait to get out into open country on some good horses.

The last six months have been pretty active for me as far as the Heritage Breeders Council goes. As you know I was at the Heritage Breeders Challenge in Billings, Mt. and helped with the show. It was a great experience working with Stan Weaver, Charlie Hempcamp, John Johnson and a lot of great people.

I have always been very impressed with the great people that run our AQHA but when you get to know them and work with them you find out why they are so successful.

In the past year the Heritage Breeders Council (HBC) has been making a lot of changes. We have been able to work with the Registration Department and are now able to identify HB horses on their registration papers as well as note on the papers if they are nominated for the challenges. We are in the process of simplifying the nomination process by making it a one time payment.

Other things that we are developing are adding more HB Challenge Shows & HB sales. We are working towards a more uniform set of rules for showing in Ranch Riding, Versatility shows and HB Challenge shows.

The Executive Board has announce that they have chosen Kim Lindsey as the new Director of Ranching. She is going to be a great asset to all of us.

One of the latest changes that are in the works is to make the Heritage Breeders Council into a committee and forming a sub committee that would be a show committee.

I am looking forward to going to the National Convention in March and helping to develop the Ranching Program into an even better part of our AQHA as well as seeing all the wonderful people associated with AQHA.

If you have any concerns or questions please contact me, Connie or Scott prior to the convention so that we may try to get them addressed for you.

Your Partner,
John Hovde

DIRECTOR'S CUT

We hear a lot about animal welfare these days. This is a real point of emphasis at AQHA. Guidelines have been established for what can't be done on the show grounds, warm up pen, and show pen. It is important to be familiar with these rules. These guidelines are available at <https://www.aqha.com/media/3143/event-guidelines.pdf>. If you happen to be giving your horse medication review the medication guidelines before you go to a show and complete the medication report form at the show and turn it in to show management. If in doubt complete the form. The form can be found at <https://www.aqha.com/media/3153/therapeutic-medication-report.pdf>.

AQHA has recently revamped the Stewards program. AQHA stewards responsibilities include :

Monitoring show grounds for inhumane treatment of horses and unsportsmanlike conduct;

- Answering exhibitors' questions about rules;
- Assisting show officials with proper set up of practice jumps and courses;
- Investigating complaints of class filling;
- Evaluating potentially unsafe conditions related to the show, e.g. poor footing in the warm-up area, and bring to attention of show management to correct;
- Issuing warning or removal cards from show ground as warranted according to AQHA rules and/or guidelines;
- Timely filing an AQHA steward's report and evaluation with AQHA;
- Adhering to the AQHA Stewards Code of Ethics

The stewards for our region are Leo Fourre and Gary Hersom.

I have observed a lot of change in the quality and trainability of horses and the knowledge and training skills of horseman in the years I have been involved in horses. Accepted training methods that I once saw would be considered barbaric today. Many times I have cringed at the training methods of professionals and amateurs alike. The elimination of those practices has increased my enjoyment of showing and respect for horseman.

The humane and ethical care and treatment of our horses is a God given responsibility. I hope you take your responsibility seriously. This includes when no one is watching!

- Scott Flach
