

2020 NDQHA BOD Meeting
October 1,2020

The NDQHA Board Of Directors met on Thursday October 1,2020 via phone conference.

President Ryane Baake called the meeting to order at 6:55 pm with the following present:Ryane Baake, Robin Danielson, Katie Beaudine, Karen Chyle, Ashley Montgomery,Darren Buckle, Sue Karn,John Hovde,Doreen Swenson & Rylan Sundsbak.

The purpose of the meeting was to address the possible reduction of the number of Judges required to be shown under to qualify for year end awards.

Karen made a motion to open discussion on the issue, seconded by Ashley M., all in favor of opening discussion.

Karen felt that it has been a weird year all around with Covid-19. Many exhibitors haven't been able to make it. She felt that we should be lenient. The BOD voted NOT to change the required number last year when the October show was canceled due to a snowstorm. Karen agreed that we should announce it now.

Rylan pointed out that some states and/or employers didn't want people to travel put of state. He felt that we should announce our decision before the October show. It would give exhibitors the opportunity to get in the required if we reduce the amount to 8. He doesn't like to change the rules and not at all mid year ,but we had no way to predict if we would even have shows or how many.

Ryane voiced the concern that those who have already made a

point to show to 10 judges might be upset if we change it now.

Darren agreed that it should be announced before the October Show, the sooner ,the better.

Ryane felt that we should contact the Youth and the Amateur BOD about the BOD decision before we announce it.
Ryane will contact Ashley Everson & Rylan will contact Jesse.

A motion was made by Ryan Sundsbak, seconded by Ashley M to reduce the number of required judges from 10 to 8. Motion Carried . The announcement will be posted to the face book pages, to the website & in a group mass email. Saturday, 10/3/20 at 5:00pm.
